

Wie stelle ich meinen Dienstplan dar?

Antwort: In der Eingabemaske auf **Vorschau/Druck** klicken

The screenshot shows the 'Eingabe' (Input) screen for January 22, 2011. On the left, there are various input fields for shift times, breaks, and other parameters. On the right, there is a calendar view for January. A red arrow points to the 'Vorschau/Druck' (Preview/Print) button located in the top right corner of the input mask area.
